

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

DeAUNDRAY GASTON,

Plaintiff,

vs.

SHERYL FOSTER, et al.,

Defendants.

Case No. 2:12-cv- 1655-GMN-NJK

**ORDER DENYING MOTION
TO CONTINUE SETTLEMENT
CONFERENCE**

(Docket No. 42)

Pending before the Court is Defendants' second motion to continue the settlement conference, currently set for January 8, 2014. Docket No. 42. Defendants represent that, when they first requested a continuance of the settlement conference and suggested January 8, 2014, as one of their available dates, they were unaware of a scheduling conflict in the room that must be available for Plaintiff to participate in the settlement conference. *Id.*, at 2. Therefore, Defendants request a continuance of the settlement conference to January 29, 2014. *Id.* The Court is unavailable on that date.

The Court's Order scheduling the settlement conference states that any request to reschedule the settlement conference must "include five alternate dates on which all counsel and other required attendees are available." Docket No. 33, at 2. As Defendants' second motion to continue settlement conference fails to comply with the Court's Order and, instead, submits only one alternative date, a date on which the Court is unavailable, the second motion to continue the settlement conference is hereby **DENIED without prejudice.**

IT IS SO ORDERED.

Dated: December 31, 2013.

 NANCY J. KOPPE
 United States Magistrate Judge
